***Toxic Reduction Plan
for
K.P. Bronze Ltd.***

STATEMENT OF INTENT

K.P. Bronze Ltd. is committed to protecting the environment and dedicated to reducing the use and creation of toxic substances wherever technically and economically viable. Our employees are encouraged to participate in all types of toxic substance reduction activities. We will continue to monitor technological advancements to ensure that options that are both technologically and financially viable are implemented at our facility.

OBJECTIVES

K.P. Bronze Ltd. does not currently intend to reduce the use or creation of these toxic substances at the facility because no technically and economically feasible reduction options could be identified.

FACILITY DESCRIPTION

K.P. Bronze operates a continuous casting foundry located in Aurora, Ontario. The foundry produces castings of various bronze alloys.
